

MyPatient Ordering Patient Information

The smarter, better way
to improve your health.

You can now order the practitioner supplements recommended by your natural healthcare practitioner, online from the convenience of your own home. Now it's even easier to stay on track with your natural healthcare plan with just 3 easy steps:

1. Visit your healthcare practitioner. Develop a natural healthcare plan that's tailored to you.
2. You'll receive an email notification. Once this appears in your inbox you can complete your order online.
3. We'll do the rest! Your order is delivered right to your doorstep, wherever you are in Australia.

- ✓ **Stay on track to a healthier life**
- ✓ **Place your order online anywhere, anytime**
- ✓ **View and track orders**
- ✓ **Receive products to your doorstep, Australia-wide**

Practitioner Details:

MyPatient Ordering is simple and easy to use.

Register then sign in

Register your details via the link in the welcome email triggered by your practitioner. Then go to www.mypatientordering.com and sign in to get started.

Talk to your practitioner if you haven't received your welcome email.

View your prescriptions

To choose from the products your practitioner has prescribed, just go to your 'Prescriptions' page. Simply use the + and - buttons to adjust the number of repeats you'd like to order (the overall number of repeats is set by your practitioner). Then click 'ADD TO CART' for each product you wish to purchase.

Order your supplements

Once you've confirmed your details, you can make a simple payment by Mastercard or Visa. We'll then deliver your order right to your door, wherever you are in Australia.

Staying on track with the natural healthcare plan set by your practitioner has never been easier.
